BIRDS OF PREY IN FLIGHT

Monday 20th June 2022 - 7.30pm

Come and marvel at the flight of a variety of birds of prey, including hawks, falcons and owls, in the grounds of South Hill Park. Local family-run company Berkshire Birds of Prey will bring a whole series of beautiful birds to fly – and will give a fact-filled talk on these impressive creatures, and their capabilities.

They're happy, friendly and enjoy interaction around humans – and some lucky members of our 'audience' will also get the chance to have a bird flown to their hand.

Please meet us at the front of the South Hill Park Mansion (adjacent to the entrance to the Wilde Theatre) for registration.

South Hill Park, Ringmead, Bracknell RG12 7PA

VISITORS WELCOME

Cost (cash please): **Members £1, Visitors £3**
