

The butterfly garden year

Thursday 22 March 2018

7.30pm – 10pm

MAIDENHEAD

A beautifully illustrated insight by Jan Haseler, Butterfly Conservation, into the butterflies seen in Berkshire gardens; when you are likely to see them on the wing; tips on identification; and how to encourage them to breed and survive in your own patch

A selection of butterfly and moth-friendly plants will be on sale

Location : Wildlife Trust (BBOWT) Education Centre, Woolley Firs, Cherry Garden Lane, Maidenhead SL6 3LJ

Price : Donation £3 per person. Includes a cup of tea or coffee.

What to bring : The walk from the car park to the Education Centre can be dark. A torch would be useful.

Places are limited, so booking is essential. Please book online www.bbowl.org.uk/whats-on or through the Nature Discovery Centre on 01635 874381. Enquiries berkshireoffice@bbowl.org.uk

For people with limited mobility, please contact the organiser in advance.
